Ad Text What happened in Manchester is a tragedy beyond description that filled our hearts with inconsolable grief of pain and loss. It makes everything worse that the spirit of hatred is again aimed on all Muslims who in fact have nothing to do with disgusting radicals who organize such gruesome acts. The whole Muslim community condemns terror! Islam would remain the religion of peace no matter how hard those terrorists try to promote the opposite image! These people hurt Islam and the best way we can protect it is the art of compassion and love towards all people suffering at the hands of radicals! Pray for the victims, stay strong and heal this world!
